

MFG SCHOLARSHIP SCHEME FOR THE STUDENTS FROM THE MINING BELT OF GOA

Mineral Foundation of Goa (MFG) is an autonomous body promoted by the Goan mining industry in order to address the social and environmental issues concerning the communities in the mining areas of the state.

The Foundation is registered under the Societies Registration Act on December 12, 2000 and is set-up with the vision of a collective approach by the mining industry for promotion of environmental and social investment programmes that will contribute to the economic growth, employment generation and development throughout the mining belt.

The funding of the Foundation is entirely from the mining industries with a corpus fund and annual contributions made to achieve the fundamental objective of the sustainable development in the mining belt.

Mineral Foundation of Goa initiated the scholarship scheme for the brilliant students coming from the needy, poor families in the mining belt in their pursuit for higher education in professional courses in the year 2003-04.

Since last four years it has been noticed that MFG have not received sufficient applications from all the selected professional streams as expected. Hence, it is proposed to revise the entire scholarship scheme by widening the scope of scholarships by including more number of Institutes/courses in the existing list.

Hence, MFG plans to include the Post Graduate Degrees/Diplomas of Goa University, Polytechnic and ITI courses in addition to the existing professional courses.

Therefore from the current scholastic year 2007-08 it is proposed to award total 38 scholarships for the first year students to be distributed among the institutions as follows:
